Dear Taryn Miller,

It gives me great pleasure to announce to you that Associated Petroleum Products - Cood Road Cardlock has been selected to receive the Northwest Clean Air Agency's "Partners for Clean Air" Business Recognition Award - **Silver-Level for 2011-2012**. We are enclosing a window cling decal that recognizes your achievement!

This award, as you know, is designed to recognize businesses in Island, Skagit, and Whatcom counties that are working to reduce emissions and improve air quality in our communities. We have received many applications for this award, but in the end we selected only those businesses that have consistently done what is required of them and helped us keep our communities a healthier place to live.

You should be proud of your contribution to keeping our air clean, and we trust that you will continue to do your part in maintaining a healthy environment.

Again, our congratulations!

Sincerely,

A handwritten signature in black ink that reads "Mark Asmundson".
