Dear Applicant:

Thank you for your interest in Associated Petroleum Products. We are excited that you wish to include us in your career objectives!

Attached you will find the necessary documents needed for us to process your application. Please take special care in completing the paperwork thoroughly...as incomplete or unclear information reported can cause delays in the process or disqualification from further consideration.

Once the applicant has provided all necessary information the application will be reviewed. Our process takes up to two weeks. If an interview is granted for an open position you will be contacted by APP. Applicants who have not been selected for interview within the 2 week time period will have their applications kept on file for one year. After one year, individuals are welcome to re-apply for any open positions.
